

## Parenting an Only Child: The Joys and Challenges of Raising Your One and Only

Filesize: 6.09 MB

### ***Reviews***

*It is one of the most popular ebooks. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.*

## PARENTING AN ONLY CHILD: THE JOYS AND CHALLENGES OF RAISING YOUR ONE AND ONLY

[DOWNLOAD](#)

Broadway Books (A Division of Bantam Doubleday Dell Publishing Group Inc), United States, 2003. Paperback. Book Condition: New. Revised edition. 202 x 132 mm. Language: English . Brand New Book. Is it possible to raise a contented only child? Can we be happy with only one child? The answer to both of these questions is a resounding yes. In recent years, the number of couples choosing to have one child has risen sharply. Whether it is by choice or fate, having a single child presents unique considerations, opportunities, and advantages. Social psychologist Susan Newman, who has been studying single-child families since the 1980s, shatters the myths of the lonely, spoiled only child, and provides in-depth coverage of the critical issues including: Making the right family size decision for you Withstanding the pressure to have another Maintaining a balance of power in a three-member household Single-parenting the only child Setting boundaries with a child who is used to having your undivided attention Fostering high achievement, creativity, and independence in only children The effects of having parents, instead of siblings, as role models Confronting age-old only-child stereotypes Building family networks and other support systems for the future Presenting fascinating findings and family stories, Dr. Newman shares her knowledge and gives down-to-earth advice, making this the most accessible, up-to-date handbook of its kind. For couples who are already raising an only child, or for those who are exploring the option, Parenting an Only Child offers encouraging clarity and singular insight. Now with a new resource section.
